# NIDA T32 Chalk Talks

## You're invited to NIDA T32 Chalk Talks!

Chalk Talks provide an informal opportunity for pre- and postdoctoral trainees to discuss research and career development opportunities with mentors, faculty and others. You have been selected to participate in Chalk Talks based on your area of study.

**When: 12 January 2021**

**Where: Online ([via Microsoft Teams](#))**

**Time: 5-7 PM (CST)**

**Charles W Mathias, PhD**

Associate Professor with Tenure

Neurobehavioral Research Laboratory and Clinic

Department of Psychiatry and Behavioral Science

The University of Texas Health Science Center San Antonio

**Alison Kulas, MSPH**

Social Scientist

Food and Drug Administration

## Discussion: Health Policy for Addiction Scientists

- Examples of health policy work by addiction scientists
- Why policy is relevant to your career as a researcher
- How to become involved in policy

Please RSVP to Steven Hargis ([hargiss@uthscsa.edu](mailto:hargiss@uthscsa.edu)) if you plan to attend.
