SUBJECT: 2014 Mileage Rates

Effective January 1, 2014, the mileage reimbursement rate for travel will decrease from \$0.565 per mile to ***\$0.56 per mile***; this is a decrease of a half cent per mile, and is consistent with the rate recently amended by the Internal Revenue Service and the Texas Comptroller of Public Accounts. ***Reimbursements for travel that occurs on or after January 1st should reflect this new reimbursement rate.***
